

Health insurance is one of the most important benefits your IAM contract has secured over the years. **IT'S OUR TIME THIS TIME** to get back to basics and ensure Boeing will not shift **ANY** health care costs to their most valuable asset – **YOU**. The workers, who created Boeing's profits, deserve (and will insist upon) the **BEST** medical coverage!

Boeing just put all employees through a rigorous procedure to verify your dependents to save them money on health care. This should not result in increased costs to you.

If Boeing truly cares about your health and the cost of the plans, they will improve your benefits and be at the forefront of pushing for changes in the health care system instead of trying to pass costs on to their employees. **IT'S OUR TIME THIS TIME** to **IMPROVE** the services provided and levels of coverage. Tell Boeing:

Hands Off Health Care!!

It's Our Time...This Time!
